Introduction

The staff and children of this school need to work and learn in a safe environment. This document is the policy of Greenfylde school and represents measures agreed between staff and governors to promote the security and personal safety of staff, pupils and visitors, together with the protection of the school premises.

Aim

People come first and therefore the aim of the school's security policy is the protection of staff, pupils and visitors first, followed by the protection of the school building and equipment.

Policy details:-

1. To ensure effective and efficient management of the school policy, security will be a regularly considered by the Headteacher and the Chair of Governors who will report to the Governors on a termly basis.
2. The Headteacher and Chair of Governors will meet at least once each term (and more frequently as appropriate).
3. The Headteacher and Chair of Governors will liaise with Officers from the local Police, the Fire Service, the Local Authority and the County Council as necessary, in the pursuit of developing risk reduction strategies.
4. A register of security is maintained by the school. This will contain details of any situation, incident or potential problem which will require consideration by The Headteacher and Chair of Governors.
5. An analysis of the potential risks will be carried out by the Headteacher and Chair of Governors which will examine the school under the following headings:-

Fire Precautions
Security of Premises / Visitors
Special Risks

The risks will be re-assessed at least on an annual basis.

**** Important note -**

This analysis is separate from the Health & Safety risk assessment that is required by law for many aspects of the same risks.

6. Where considered appropriate by the Headteacher and Chair of Governors, staff, pupils and parents will be made aware of what measures are being taken, together with the reasons why. The support of staff, pupils and parents will be encouraged.
7. All matters affecting the well-being of staff and pupils at the School will be subject to on-going review and therefore this policy will evolve according to the School's needs. However, this policy will be reviewed at least on an annual basis.
8. The process of developing and operating a comprehensive security policy will be supported by training for staff and governors.
9. The chosen solutions will be kept under review for their effectiveness.
