

At Greenfylde C of E First School we recognise the importance of promoting healthy lifestyles and high quality physical activity for our pupils. We want to offer our pupils a breadth of experience that will encourage them to enjoy sports, develop community links and understand the importance of physical activity for a healthy life. Hopefully, if we can set the foundations then our pupils will continue to be active participants as they grow and develop and take these skills with them into adulthood. This year, 2021-2022 we have received a grant worth £18,679 (anticipated) and this is being spent as part of our ongoing development plan. With Covid we have not spent all of our 2020-2021 grant and £7,800 has been carried over and will include funding playground markings (£1,598), new PE equipment storage (£2,000), a subscription to Active Maths and English Learning (£1,000) and resources across active playgrounds, forest school and PE (£2,000)

Key Area: Competition Plan (Linked to DfE School Sport and Activity Action Plan July 2019 – Competition and school games)		Date covered by plan: 2021 - 2022	
Current situation			
<ul style="list-style-type: none"> - Our usual plans below had to be curtailed due to Covid 19 but we were able to engage in a number of virtual competitions through SASP - Inter school competitions routinely entered including ones for sports such as gymnastics and boccia. - Sports Day is over two sessions, competitive track races and more non-competitive field events – not held 2020 but instead held a virtual sports week both through remote learning and those in as key years/key worker/vulnerable. - Organised intra school competitions often using our own young sports leaders and promoting the work of other schools' young leaders 			
Objective (s): To develop children's understanding of competition by giving opportunities throughout their time in school to participate in inter and intra school competitions. Offering a wide range of opportunities to help our pupils find the right opportunities to compete.			
Actions required (including costings):		Who will carry these out?	Time scale:
Maintain intra school competitions, including virtual ones in within key stages – to focus on the areas especially where Bob Brunt is developing provision which is mainly within games. To include sporting values within competitions. Resources: £500 Input from Bob Brunt: £10,879 (covers all aspects of sport development and coach input)		Class teachers/ PE lead	Termly to Summer 22
Further develop links with other schools through an enhanced CISP sports competition plan. Sports Development Officer hours (Bob Brunt)– see above		Bob Brunt	Through academic year 2021 2022
Success Criteria:			
			All children in Reception, KS1 and KS2 to have participated in one intra school competition per term. All competitions to clearly include the School Sports values.
			Aim to maintain competition between CISP schools so there is at least one event per half term, including one whole cohort Y4/5 competition – post Covid regulations
