Singing in the Market Square

Well done to Year 3 (and a few Year 4s!) who sung beautifully as one of the school singing groups invited by the Ilminster Christmas Lights Committee to sing in the Market Square last Friday. Christmas had truly started with some joyful singing and we were proud of the way the children represented Greenfylde and had this opportunity to develop their public presentation skills. Thank you to Angie from Cottage Flowers for the chocolates for our performers and to all the family members who came to support.

Thank you

Thank you to our Greenfylde school community for their generosity in collecting £216.39 for Children in Need and £107.88 for the Royal British Legion.

School Food

Please can families take a few minutes to complete this family/pupil voice survey on school food which is open until 5th December. Please follow either of the links below:

https://forms.office.com/Pages/ResponsePage.aspx?id=3Uw9KN7IV06XfymowbLfepA7OAm_pNeVFo_i8LaW02hFUNVBVR1M2OURLMFXSINMV1BYMFcxVFoxRy4u

Starting School at 9.00am

Please can we ask families to support us by ensuring children arrive before the bell at 9am. We are seeing more children arriving late and would like families' support to ensure children are in and ready to learn as lessons start.

Thank you for Morrisons Vouchers

Thank you to everyone who donated their Good to Grow tokens which have allowed us to order a range of garden tools and equipment for the children.

Data Collection Forms

A reminder that data collection forms sent out earlier this term need returning to the school office **by the end of next week at the latest**. Some forms where signatures etc have been missing have also been returned and again, please can these be returned to the school office by Friday 3rd December. Many thanks to all the families who have already returned their forms.

Covid

What to do if your child develops symptoms of coronavirus (COVID-19) or tests positive for COVID-19

Symptoms of coronavirus (COVID-19) are a new, continuous cough, or a high temperature, or a loss of, or change in, their normal sense of taste or smell (anosmia).

If your child develops symptoms of coronavirus (COVID-19), they should get a PCR test and remain at home at least until the result is known **and they are fever free (without medication) for at least 24 hours.**

If **negative**, the child can end self-isolation and return to school once well;
If **positive**, the child should isolate until at least 10 days after their symptoms appeared.

If the child has a positive test result, but does not have [symptoms](#), they should stay at home and self-isolate for 10 days from the date the positive test was taken. This isolation period will be extended if they go on to develop symptoms by counting 10 full days from the day following their symptom onset. Anyone with symptoms will be eligible for a PCR test (the normally available test type) and this can be arranged via <https://www.gov.uk/get-coronavirus-test> or by calling 119.

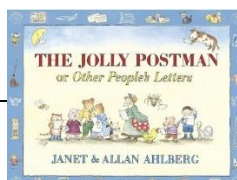

A reminder that any information e.g if your child is waiting for a test or when they have received a result should be sent by email to the school office at greenfylde@educ.somerset.gov.uk, please don't send via School Comms as the office email is checked out of hours unlike the School Comms app. Your child must not come in or be brought to school if they have any Covid symptoms.

If your child is identified as a close contact, they should get a PCR test <https://www.gov.uk/get-coronavirus-test>. In these current amber measures, if your child is a close contact it is recommended that they lateral flow test daily until a negative PCR test result is received.

When reporting absence please state the symptoms your child is experiencing as depending on these it changes their coding on the register. If we receive messages with just descriptions such as 'unwell' then the office will need to follow this up with you in a telephone call. Please can we ask families to be respectful to any calls from the office re potential Covid illness as they are only following the Government guidance.

Have a look at a book!

This week's book is an oldie but a goodie! Interactive and a good way to talk about other stories the children know.

Cygnets Pre School

This week at Cygnets we have enjoyed exploring the textures and changes of ice in the garden. We've been busy crafting some more Christmas decorations and on Wednesday we all had a go at some archery with Vernon in our forest school session.

Hats and gloves

Please can children attend with hats, gloves and warm coats, now that the weather has turned even colder as we are still spending a lot of time in the garden?

Spare clothes, nappies, Wipes

Please can children have a spare set of clothes in their bags as well as plenty of nappies and wet wipes should they be needed?

Christmas tree

Our Christmas tree has been beautifully decorated with some of the children's Christmas crafts, it will be displayed in the Minster church from Monday 29th November, why not pop along and have a look.

Sunny Ile Pre School

The children have been finishing off our Christmas decorations this week, ready to go to 'The Minister' for the 'Christmas tree festival'

We have been practicing our bike and scooter skills, negotiating lots of obstacles. We have also enjoyed painting on wall paper. Some of the children decided to paint lots of different coloured fireworks using cotton buds.

Christmas tree Festival 29th – 4th December

If you have a few minutes spare this week please do visit 'The Minister' Church to enjoy the 'Christmas Tree Festival' and look at the many decorated Christmas trees including the Sunny Ile Tree. Donations to the trees are welcome.

Gloop

Our children love messy play, another great one they like to play with is 'Gloop'

Recipe

2 cups of cornflour
Water with food colouring

Again different scents and glitters can be added to the mixture.
The children are fascinated with how the mixture is runny but then hard to touch.

Sound of the week

This week we have been recapping the sound 'a' to see if the children can remember any of the sounds – Apple. Alligator, Ambulance, Apricot
