

Greenfylde Dog plays 'I Spy'

It was raining and Greenfylde Dog was bored. His family helped him do a Zoom meeting with Bear and Monkey and they showed him more photographs of things at school. It was a bit like I Spy, have you ever played this game?

I spy something beginning with
'r'...red door to my new school!

I spy something beginning with 'sw'...a swimming pool where I can learn in the water and get wet.

I spy something beginning with 'w'...welcome to Greenfylde First School.

I spy something beginning with 'b'...banner, which we sometimes take out on events with us like carnival.

I spy something beginning with 'o'...
for office. It belongs to Miss
Oaten the Headteacher, shhh
don't tell her we crept in here!

I spy something beginning with 's' - signs with apples on that tell us the names of our classes. In Reception you will be in Dove, Pippin or Sandew.

I spy something beginning with 'l'....a Library with lots of books where you can enjoy stories and facts.

I spy something beginning with
'g'...for our school garden.

Try to play I spy with other things
you can see in this photograph and
you might want to play I spy in your
house and out on walks too.
